

## "6 Degrees Less Than"

Was conceived by a group of business people looking to create a business and social networking group to "bridge the bay" with people of all ages, religions, cultures and ethnic backgrounds who have similar business and social interests and want to give back to our community. The founders are a group of friends and/or business acquaintances: Jerry Bohannon, Eric Eaton, John Marzulli, Ken Walters, Vinny Tafuro, Michelle Pryor, Mark Ellis and Mark Scott. "6 Degrees Less Than" refers to the idea that, if a person is one step away from each person they know and two steps away from each person who is known by one of the people they know, then everyone is at most six steps away from any other person on Earth.

"6 Degrees Less Than" is a group of "like minded" professionals wishing to associate with each other in a friendly, social atmosphere. We gather for Happy Hour on or near the first Wednesday of the month, every three months. They have been at a variety of locations on both sides of the Bay. Food is provided/cash bar, \$10 per person at the door-- complimentary glass of wine or domestic beer is included with admission. All proceeds go to All Children's Hospital.
